

## BLUFF COUNTRY CRUISERS CAR CLUB SUMMER NEWSLETTER

It's May but somehow it's not that warm yet. I'm sure everyone is getting pretty anxious to get their "toys" out, even the members who have new ones!

Culvers had their first cruise night in April, little cold yet so not so good a turn out. Bruce is planning on even having a 50's group playing sometime this summer. For the summer our club meetings will be held at 7:30 on the 2<sup>nd</sup> Tuesday of the month when Culvers holds their cruise night. Long John Silvers had their first cruise night on April 29th with a good turnout.

As you know we are holding our car show on July 18<sup>th</sup> in conjunction with Decorah's Ridiculous Days. When it gets closer we we'll need help setting up. Businesses will offer % off coupons so all we are going to be selling is pop and water. Due to the lack of having access to charging \$1.00 for admission we are trying to help subsidize this amount we usually get by having a raffle of 6 for \$ 5.00. So far we have a small wall mounted shop vac from Wal-Mart, and a neon light from Long John Silvers. I'm asking all members if they have a talent or would like to donate items for the raffle to please contact me at 563-562-3753. All talents accepted!

We had a very good turn out at our Christmas party. We will probably have it there next year again unless anyone else has any suggestions. We also acquired a few new members.

Dave Dunlavy keeps our web site up to date so check it out at - [www.bluffcountrycruisers.com](http://www.bluffcountrycruisers.com)

Hoping everyone has a safe summer and enjoys the shows and our cruises. Attached is a list of our club cruises, of course if it down pours we usually cancel. You can always call me at 563-562-3753 if you're in doubt if it's still scheduled. We also have a listing of the various local car shows.

Happy Cruising Phyllis
