

## **BLUFF COUNTRY CRUISERS SPRING NEWSLETTER** **2010**

Isn't it great to see that sun after such a long winter? I sure don't miss shoveling all that snow! I have seen a lot of classic cars out and about, what a welcome sight!

Fifty-five members attended and enjoyed our X-mas party. Next year we will run our social hour from 6:30 – 7:00 and eat at 7:00. Election of officers was held and all officers retained their offices.

Our car show is well underway. The Inwood Riverside Park is the new location this year, July 18<sup>th</sup>.. They even have our event on their web site. Our web site is also updated so check it out. ([www.bluffcountrycruisers.com](http://www.bluffcountrycruisers.com))

We will need helpers to set up the day of the show. Please call Greg at 563-419-5574 if you can help out. Also needed is raffle items or homemade items for our raffle. Please contact Phyllis at 562-3753 by July 10<sup>th</sup>. This helps defray some of the costs of our insurance that's due in the fall.

Hope everyone can join us on our overnight cruise. Please pass information on to other friends. Should be a lot of fun. Roger Nelson's church (Canoe Ridge Lutheran) would like members to cruise out to their church for dinner. Dinner at 11:30, services at 10:30. (check car events list enclosed) **CANCELLED**

Please post the enclosed sheets so you can have them handy.

In closing I found this CAR ACRONYMS in a magazine. Hope you enjoy!

### **CHEVROLET**

CHEAP, HARDLY EFFICIENT, VIRTUALLY RUNS ON LUCK EVERY TIME  
CRACKED HEADS EVERY VALUE RATTLE, OIL LEAKS EVERY TIME  
CONSTANTLY HAVING EVERY VEHICLE RECALLED OVER LOUSY ENGINEERING
