May 2011

The cars came out of hiding, then came the rain, a dumping of snow and on May 1st it felt like a fall day.

Seven members of our club braved the conditions and attended the Black Hawk Street Machines Car Show. There were 381 entries. Trophies went to Stacy Ryan (1st), Wayne Jordahl (1st), Curt Gjere (3rd), and Ron took his brother Bob's GTO and got 1st with that. All proceeds from the car show goes to the Shriners Hospital. With our seven entries we got the 1st place of \$ 100.00 for club participation. We then donated \$ 50.00 back to the Shriners. The rest will be used toward the brats & buns being furnished for our picnic at Doug Egeland's place (see our schedule of dates).

A big thank you to Karl & Duane for arranging our overnigher. Sounds like a great time! Hopefully no one gets lost this year! The car show is up and running with almost all trophy money collected. When it gets closer we will need helpers – July 17th). Oh yes, & Roger & Darrell when you're out on those bikes this year, check out a fall cruise route! If you want to do it again!!

Hope everyone got their shirt and sweatshirt orders. If you didn't get one ordered, let me know as I'm sure Heidi will do one for you.

Also, the day after the Cresco Car Show they sponsor a cruise. If you attend the car show you may purchase tickets for the cruise dinner there or when you attend the Cresco Band Booster Omelet Breakfast at the High School (8:00).

We've been to it many times and it's excellent. The cruise leaves after that at 9:30 on September 18th.

Scott usually has a trivia so get your thinking caps on. He's pretty tricky with this, although he didn't out fox me last year!
