

BLUFF COUNTRY CRUISERS SUMMER NEWSLETTER **AND SCHEDULE 2015**

In April we had our cars out but Mother Nature decided to let us have another “dose” of winter. Thank God it was gone in a few days! Finally summer so let’s start doing some cruising.

Hope everyone had a healthy winter.

Five of our club members went to the first car show in Evansdale. They had a total of 275+ cars. They gave club participation prizes. Our club tied for third with three other clubs, so we got \$ 10.00, just enough to pay for our buns and whatever for our potluck at Egeland’s. (details on cruise sheet)

Our first meeting of the year was held at Karl Schroeder’s nice garage. Club furnished the supper, people brought food and Kathy Reilly furnished bars with Karl donating “Norske” Kolaches. He has three lifts for his cars. You can bet there won’t be grease on that floor! THANKS KARL!

On that note Karl has planned our overnigher June 27-28 to Okoboji. Eleven rooms are already booked. If anyone else is still interested, rooms need to be reserved by May 27th. (Call Marjie Nelson at 712-362-5522) and mention you are members of the Bluff Country Cruisers Car Club. We will be seeing lots of sites including a huge car museum. Any questions call Karl at 563-419-7829.

Car Show flyers were given out at the first meeting to collect our sponsorship fees. It was decided this year to have top thirty people’s choice awards and have no classes and cars can park wherever they want. We will see how this goes and then make a decision as to whether we will continue having the car show.

Our President Don Kelly is having a car cruise in Hawkeye in conjunction with Hawkeye Days. It will be a free will donation in memory of Don’s uncle George Kelly Jr. who graciously donated to the Hawkeye Christmas decorations every year, so hope you can mark your calendars and help out this good cause.

A note about our August 16th cruise. The Veteran’s Cemetery in Preston was erected to accommodate veterans within a seventy-five mile radius of Preston. There will be over 3000 vaults available. The arch was designed and done by a Decorah contractor. Should be very interesting to see.

Don’t forget Culver’s first night is May 12th with meeting at 7:00.

Let’s get those cars out, cleaned and hope the weather cooperates for some summer fun and cruising!

Phyllis Elsbernd, Secretary

AREA CAR SHOWS

May 10	Tripoli Car Show Guppy's Market. Info Tim: 319-240-6925. Reg. \$ 10 from 8-11:30
May 16	Spring Grove Car Show with Reg.8-9 with awards at noon. \$ 10.00 Lee's Auto Body
