Please return the enclosed sheet with your updated personal information and a check for your reservations by **March 31st, 2017**. If you are unable to attend either event, please stop by and chat anyway.

Our printing is being donated, but we have postage and miscellaneous expense (like name tags, etc). Please consider helping with this by sending a donation with your check.

We will get special room rates at Decorah Motels and will let you know when we get closer to the reunion.

We all have lots of stories to share and get re-acquainted. In addition to visiting time, we will have some special events including getting your picture taken with Ole and Lena. Please send any pictures (duplicates if possible), you want to share with your classmates (baby, grade school, high school, etc). We will return your pictures after we scan them. Many of our classmates are artistic and make lovely items. We hope you would like to furnish something for prizes. We already have offers for bird houses, picture frames and a knit throw.

In the mean time, we have been having a class luncheon every month and would like to have you come, if possible. Attendance has been very good and a few classmates drive several hours to join us. We hope you are getting the email sent by Sonja with each month's location. In case you are not receiving the emails, please send an email to Sonja (at walson@netel.net) to have her add your email address.

We are looking forward to seeing all of you.
