

Just finished changing the email list - so some may have been added. If you are getting double mail because you changed your email address, please let me know.

The www.DHS1957.com website has been updated. We added pictures from the Annual. They were scanned and if you see errors, please let me know. We put black borders around those classmates that have passed. If you put your mouse on the picture you will see the name and passed date. If you click on the thumbnail, a larger picture will be displayed. I hope you don't find too many mistakes but please report any you find.

We also added a list of classmates that have passed with the date of their passing on the website. It's under the 60th Year Reunion dropdown under Classmates. We will list all classmates there later. A problem for us is that there were some passing before graduation, some dropped out before graduation, and some just plain didn't get in the yearbook. Thank you for correcting us where you can. Hope this finds you well going to winter. Looking forward to spring already.
