

A few people have contacted me and said they did not receive the April luncheon email. I remember writing it and sending it - hard to believe it might have been that large a computer hiccup but just in case a reminder. Wed. April 19, 11:30 AM at TBocks' 206 W Water St. Hope to see you there. The weather sounds a little unsettled, hopefully no storms and the wind seems to be in a really big hurry today. Sonja
