Brothers I noticed in this month Scottish Rite Journal a statement by Brother Tom Jackson, 33rd Degree I would like to share with you: There is nothing “wrong with being elite and that Freemasonry had never been for the common man. When we set out protocol to accept only good men, we became elite”. This is true for each of YOU! We need you to become involved in our Freemasonry, you do make a DEFFERENCE!

Fraternally yours,
