February Stated Meeting

Brethren,

Our next stated communication will be on Monday, February 11 at 7:30 PM. At our last communication, the lodge raised Brother James Stansfield to the sublime degree of a master mason. Please give him a warm welcome when you see him in lodge.

At our February meeting, I would like to take some time to discuss the lodge of the year project. It is my goal as the Master of Great Lights Lodge to see the lodge receive this award. There are two groups of categories that the lodge must score point in to be eligible.

In group one; there are 11 items that we are required to complete. The one item in this group that gives me some concern is that we need to confer all three degrees on our own candidate. The deadline is August 15, 2008. Brother Jon Sommermeyer has discussed three potential candidates with me and I have directed him to approach these gentlemen, as I believe that all three would be excellent masons.

In group two, there are 15 items of which, 10 need to be completed. We have already made nice progress on this project. I would like to review the requirements with the lodge brethren and receive their input as to how we might be able meet the requirements.

I am looking forward to seeing you at lodge!

Fraternally,

Eric J. Sommermeyer
Worshipful Master
