Brothers;

I hope this letter finds you in good health and good sprits. Brother Tim Felton, Eric Sommermeyer and I attended the Masonic Education Conference in Des Moines last weekend hosted by the Grand Master. There were a Varsity of topics discussed and good ideas for the Masons in attendance to take to their home Lodges to try out and enhance Masonry in Iowa. We will give you a rundown at our Stated Meeting, Monday July 11<sup>th</sup>, 2011 of what was discussed.

Hope you are all enjoying your summer.

Fraternally yours,

Jon Sommermeyer, Worshipful Master  
Great Lights Lodge #181
