**August Stated Meeting**

Brethren,

The next stated communication of Great Lights Lodge #181 will be on Monday, August 11 at 7:30. As many of you know, I was unable to be at the last meeting because my wife and I competed in a martial arts tournament in Orlando, FL. My wife did not place in her two events. I placed third in two of the three events that I participated in. I received two bronze medals with accompanying plaques.

I have been rather busy lately and have not had an opportunity to catch up on Lodge business. Brother Tim Felton took the East last month in my absence. I will be working in Indiana the week of our next communication and have asked Brother Tim to assume the East again.

I am hoping that I will be able to attend our September meeting. Currently, I am scheduled to be working in my office in Cresco that week.

Fraternally,

Eric J. Sommermeyer, WM
