

JANUARY 29, 2023

WINTER NEWSLETTER

As I'm looking out the window watching it snow, I'm wishing it was spring already and I'm sure you will all agree.

Lots of members went to car shows, so hats off to them and their rewards.

Our monthly meetings for supper were well attended, so we will continue doing that. All officers will remain but hard to have meetings so between Don, myself and Michele we will keep you updated on events! On that note, thank you to Michele for taking charge of all emails and Dave for doing our web site.

It was a hard year for me but thank you to the club for needed shoulders and hugs when I needed them. Miss that guy and his smile!

The spring newsletter will have all the car shows, meeting places and Sunday cruises. Please bring ideas for this to our Christmas party. Yes, after two years, finally a Christmas party. If you can't attend please send your dues of \$ 20.00 to Phyllis at P.O. Box 204 Calmar, IA 52132. It would be greatly appreciated.

If anyone is interested the Monticello Rod & Custom Car Show is February 25th 11-10 and February 26th 8-7. \$ 10.00 admission \$ 1.00 off with a canned food donation.

Here is to a great 2023, and yes Bob you still are the leader of the cruises!
