

## BLUFF COUNTRY CRUISERS WINTER NEWSLETTER

**What to do on a snowy day? Let's get a newsletter written. We had a lot of fun cruising this summer, and our fearless leader never got us lost! We even got served pretty fast when reservations were made, and then they weren't. (Preston Bowling Alley)**

**We will continue our monthly meetings at various places; we sure get a good turn out. If you have any ideas as to where to go call me or bring your ideas to the Christmas (Valentine's) Party.**

**Our officers will remain the same. Guess we are just your old reliables! Big thank you to Dave Dunlavy for keeping our website updated and of course Michele for always reminding us of our upcoming events. The older we get we definitely need that.**

**Spring newsletter will be out by April if I get all the car shows and events by then.**

**The Christmas Party is February 17<sup>th</sup>. (see attached invite) If you aren't attending please send your dues of \$ 20.00 to Phyllis at P.O. Box 204 Calmar, IA 52132. It would be greatly appreciated.**

**The first car show event for 2024 is the Rod & Custom Car Show in Monticello on February 24 (11-10) and February 25 (8-7) \$ 10.00 or \$ 9.00 with a food pantry item.**

**Looking forward to lots of Cruises and lasting memories in 2024, and Bob you are unanimously nominated to be our leader again! Ron would be so proud of the job you do.**

**Here's to more laughs and good times in 2024 and living life to its fullest.**

**Phyllis**
