Greetings - I looked at the calendar and discovered that spring is here - couldn't tell by looking outside or at the thermometer. I'm not complaining because I know many of you have more snow that we got yesterday but what we got was that much too much. Can't put my winter parka away yet either because it's cold outside. There - that wasn't really complaining - just a little whining.
So on to better things. Our April luncheon is the 18th at 11:30 A.M at T-Bocks - in the back room, 206 W. Water St.
At our March luncheon Gert Barth shared some information with us. She said the DHS Class of 1958 is having their reunion and on Friday eve. at Winneshiek Winery we are invited to come and share an eve. of catch up along with the Class of 1956. She said pizza would be ordered from Pizza Ranch and I believe delivered. I think she said it was Friday, August 10 around 5:00 P.M. Sounds like fun. I am mentioning this now so if anyone from away is making plans thought you might like to know. Now there is much information needed - do we have to report to anyone if we are planning to attend? Is each class responsible for this and the ordering of pizza? As you can see I don't have much inf. yet - hope to get more this month. Will keep you informed with what I find out - just wanted to mention.

If anyone can get more info regarding the invite please bring to the April luncheon - Thanks.

Stock up on your sunscreen - spring is just around the corner. Take care. Sonja
