Greetings Everyone on this beautiful day. As I look outside it is partly sunny and partly cloudy but when I think about what some of our southern states are enduring I think it's great. Our thoughts and prayers are with all living in the area affected by the hurricane. I can't quite imagine what it would be like to be in the area. It is still summer here but mornings and evenings are cooler but with fall come the beautiful fall colors. Something good about all seasons. #We will meet on Wed. Sept. 18, 11:30 A.M. at Barney's Bar & Grill in Burr Oak. Hope to see many of you there. Ass we g ive thanks for our blessings let us remember others who are fighting battles whether weather, sickness or whatever it might be. Take care. Sonja
