

**Classmates:**

I received a call from Martha Alm this morning. Arlene Foltz had called her to report that Dale had passed away yesterday, October 23. His body will be cremated. Services are pending at this time and will probably not be for a few weeks as some family is to be out of town for a period. I do not know what funeral home is handling arrangements.

Arlene had knee surgery a week or so ago and is home. Please remember Arlene and the family in your prayers. Memories are something we always have - take a trip down Memory Lane and bring to mind fun times shared.

Sonja
