“Just to let you know that a memorial service will be held for Dale at Decorah Lutheran Church on Saturday, November 16, at 11 a.m. Visitation will begin at 9:30 until time of the service with a lunch and social time in the church's social hall to follow the service. We never dreamed that his stay at the nursing home would be cut short so quickly. I figured I would heal from my knee surgery and be making the trek to Cresco for many months. He is in a better place; he was not the Dale we always knew; he is at peace!! Please share with the Class of '57. Thank you, Sonja. Arlene”
