

***November 4<sup>th</sup>, 2020***

***Greetings Everyone - hope this finds you all doing OK. We will again meet on Wed. Nov. 18 at the Winery. We will plan to just order from the menu. We only had about 8 at the Oct. gathering. We discussed our December meeting. We decided that we would just order from the menu and not do as we have before. Just thought it might be simpler with the virus etc.***

***Take care - stay well - hope to see you on the 17th. Sonja***
